Introduction

A Introduction

Laila and her brother Ibrahim lived with their mother and father in a small town. One morning, Laila's mother said, "Children! We're going on an adventure."

B

Laila and Ibrahim were very excited. They got into the car. "Where are we going?" said Laila. "It's a surprise," said Mum. Dad put their bags in the car.

C

Dad drove out of the town. Ibrahim and Laila sat in the car and played counting games. They travelled for 185 kilometres. It was a long trip. When the car stopped, Dad said "We're here. We're in Aqaba! And this is our hotel!"

D

The children were really happy. They looked at the modern hotel. It was a tall building by the sea. The sea was blue and there were small boats on the water. It was very hot. "This will be a great holiday," said Ibrahim and Laila. "Thanks Mum and Dad."
