Why do you think money is important? Well, People used the money to buy things every day. You use the money to pay your bills, you use the money to buy foods, and you use the money to buy a house. So money is truly important. Without money, people cannot survive comfortably.

Yes, this is true, money can buy your health. You can maintain your health even though you cannot rule your health. With modern healthcare to increase human longevity, money can help you improve your health and live a healthy lifestyle.

On the other hand,

Love can be described as a feeling, an emotion, and also a way of life. The majority of people will think that love is the most important thing that is in life. While there are many facets and faces of love, you are going to discover how love is important and how it can affect your life here.

Love allows you to connect with others. It is the Source of energy and motivation. love makes you healthy and happy. It makes you kind. love leads you to self-discovery

So, is love or money more Important?

By now, you should understand that both money and love are important in life. you should know that love and money have their own functions in life and why we need both in order to thrive.

Again, both love and money are important because they are different things that will make your life worth living.

Learn to love and be loved so that you can turn the inspiration into energy that drives you to success. At the same time, learn to use money as a tool to achieve your dreams and enrich your loves.

Listening Script 2

It was near bedtime for Eman and Haneen. Their mother who was a clever English teacher, would always make for them a nice warm cup of milk just before bedtime. It was like a weekend bedtime tradition. Eman and Haneen looked forward for this warm cup of milk every Friday night and of course, one of mummy's "Once Upon a Time" bedtime stories. The milk was ready, and so was Haneen and Eman. Both looking bright eyed at their mum in anticipation of the wonderful tale to be told. Their mum looked at them, smiled and began is engaging story.

Have you ever heard about Jane Austin? Their mother asked?

Eman chuckled and answered. "No mum, I'm only 10 and Hanneen is only 7 and you have never told us about her.

The father started telling them about Jane Austen who wrote many interesting and famous stories, She had an interesting hobby which is drawing, then she left her hobby and started writing novels and she was brilliant.

The kids liked Austin's story and dreamed to write stories oneday.

5 years later, Eman wrote her first own short story and it was brilliant. The school teacher gave her a nice present. Eman and her family were very happy and excited.

THANK YOU. BEST WISHES. MR YAQOOT.
