My first few weeks at middle school have been really fun! I've made loads of new friends and I've also met up with some old friends that I haven't seen for a while, so that's been good.

At first, it was hard to find all my classes – I kept getting lost and one teacher told me off because I was ten minutes late for her lesson. Now I know my way around. The teachers have been really kind and the lessons aren't too difficult. We haven't had much homework yet, but I'm sure we'll get more after half-term. Anyway, so far, so good!

On my first day here I was a bit nervous, but after a few hours I was fine. The first few weeks have been really good. I've enjoyed learning new subjects and making new friends. My favourite subject is Science. It's fun learning in a lab! I've joined the school orchestra. I play the drums. It's great. We're doing a concert at the end of term.
